

The Saba Comprehensive School (the only school for secondary and vocational education on the island) seeks a:

CSSLC/CSEC Mathematics Teacher (1 FTE) effective August 1, 2022

We are looking for a colleague who is interested in making a long-term commitment to the school and to the island. Our new colleague will be recruited based upon his/her experience, motivation and dedication to the position.

As our new teacher in Mathematics, you work in the Lower and Upper school in an inclusive educational setting. You should be able to assess the students' individual needs in the field of behavior, well-being, education and development and translate this into individual educational goals and plans.

You must possess suitable qualification and experience (+5 years) to work in our school as a teaching certificate. Knowledge of / experience with CXC is highly appreciated. We are seeking experienced teachers for our school with a vast amount of knowledge and experience to make a difference in the students' life.

As an educational professional, you are expected to be able to employ and teach 21st century skills, to differentiate and to give the proper holistic care and attention to students in an inclusive learning environment. In your application letter it should be made clear what would be your overall contribution to the educational development of the Saba Comprehensive School.

If you would like more information about the school or have any questions, please visit our website (www.learningsaba.com) or Facebook page. You can also contact the director directly via email (ahermans@learningsaba.com).

We offer a professional working environment, competitive salary according to the established salary scaling for secondary education in the Caribbean Netherlands, opportunity for personal and professional growth, supervision and support by colleagues from the department, and more.
